COMMUNITY DESCRIPTION

Mercy Grayling is located in a beautiful region where residents have access to four seasons of outdoor activities including skiing, snowmobiling, fly fishing, hiking, swimming and boating. Our region offers an ideal way of life for those seeking the respite of a small town and a great place to raise a family. The hospital is adjacent to the famous Au Sable River and is just a short drive from two of the region's largest and breath-taking inland lakes; Houghton and Higgins Lake.

ABOUT TRINITY HEALTH

Trinity Health is the 4th largest Catholic health care system in the United States, with 44 hospitals and more than 44,000 employees. We have over 8,000 active staff physicians who provide high quality health care and represent all specialties.

Our mission: *We serve together in trinity Health, in the spirit of the Gospel, to heal body, mind and spirit, to improve the health of our communities and to steward the resources entrusted to us. We support this mission by living our core values of Respect, Social Justice, Compassion, Care of the Poor and Underserved, and Excellence. Committed to recruiting talented physicians, we are looking for physicians who share our values and want to help us fulfill the health care needs of the communities we serve.*

At Trinity Health, we value the physician relationship and focus on partnering with our physicians. Whether you are a practicing physician looking to relocate or a medical resident, we offer opportunities with the flexibility to fit your individual needs. If you would like to be part of the Trinity Health system, we encourage you to explore this opportunity.
