

Summary of Trinity Health Priorities Achieved in Reform

	Trinity Health's Essential Elements of Reform	Legislation
1	Require coverage for everyone with uniform, core benefits	Accomplished
2	Organize coverage for continuous protection and broad pooling for risk	Accomplished
3	Ensure personalized care and “continuous healing relationships,” especially for persons with special needs and those at the end of life	Significant Progress
4	Align payment to coordinate care, improve health status, and ensure cost-effectiveness	Significant Progress
5	Facilitate the use of information to continuously improve quality, coordinate services, and maximize efficiency	Significant Progress
6	Promote wellness and prevention	Accomplished
7	Optimize administrative efficiency and minimize administrative cost	Significant Progress
8	Encourage personal responsibility for maintaining health	Significant Progress
9	Encourage shared responsibility and equitable financing of the system	Significant Progress
